CERTIFICATIONS

- ☑ **Google Project Management Certification – Coursera**
- ☑ **React Developer Certification – Jad Joubran**
- ☑ **Data Analysis & Business Intelligence – Dataleum Academy**

WORK EXPERIENCE

Chainfren – Lagos, Nigeria *(Remote/Hybrid)*

Backend Developer → Product Manager | *January 2025 – Present*

- Started as a backend developer, building and maintaining APIs and microservices for a decentralized finance (DeFi) platform.
- Integrated blockchain wallets, smart contract event listeners, and crypto payment gateways into the backend.
- Collaborated with frontend, design, and QA teams using Agile methodologies to deliver features on schedule.
- Transitioned into a Product Manager role by Q2 2025, overseeing the roadmap, coordinating sprint planning, and managing stakeholder communication.
- Led user research, documentation, and delivery of blockchain-based tools that empower users to interact with decentralized apps seamlessly.
- Worked closely with developers and designers to prioritize features based on business goals and user feedback.
- Applied Agile project management frameworks and data insights to optimize product development cycles.

Providus Bank PLC – Lagos, Nigeria

Henshaw Immanuel Ifeoluwa (BSc.)

Mobile: +2348169718088   Email: henshawimmanuel@gmail.com

Customer Success & Relationship Manager | *July 2021 – January 2025*

- Led customer success initiatives for onboarding, engagement, and satisfaction.
- Managed CRM optimization projects using project management frameworks.
- Collaborated cross-functionally with IT and marketing to improve digital services.
- Applied data analysis to monitor client behavior and product performance.
- Promoted financial products through cross-selling and upselling strategies.

Zenith Bank PLC – Lagos, Nigeria

Transaction Officer | *June 2019 – June 2021*

- Handled daily financial transactions and customer account services.
- Processed tax payments, collections, and managed transactional disputes.
- Ensured confidentiality and compliance with regulatory standards.
- Participated in internal system training and contributed to reporting automation.

Independent National Electoral Commission (INEC)

Ad-hoc Staff | *February 2019*

- Facilitated voter authentication and ballot coordination during national elections.
- Ensured compliance, transparency, and proper reporting throughout the process.

Ijara-Isin High School (NYSC) – Kwara State

Mathematics Teacher (Youth Corps Member) | *April 2018 – March 2019*

- Delivered curriculum-based lessons in mathematics and mentored students.
- Designed lesson plans, examination materials, and extracurricular activities.
- Demonstrated leadership through school-wide coordination and student support.

EDUCATION

- **B.Sc. Mathematics with Honors** | University of Lagos, Lagos State — *2017*
- **SSCE** | Sacred Heart Catholic College, Abeokuta, Ogun State — *2012*
